Worship with the children & youth in their classes	Children & families (Liz) 	We have done it a couple of times now and the kids love it, its been great to see them getting excited and enthusiastic about worship – this is definitely a keep doing
Diary management – forward looking, avoiding clashes	Communications (Gary)	We are putting the final touches on a simple planner and one with a lot more data on, we will review this at the Dec deacons meeting next week and then make available to all.
Bring Christian content into Crèche & Pram Club	Children & Families (Liz)	Started with a story element in Creche and Pram Club
Provide more information on each group, reflect on boards & Website	Communications (Gary)	Outside boards have been replaced, new stand and TV will be in place for downstairs in December. Working party "Brand and Building" have met to look at our next focus - Bright Room refurbishment, Website refresh, Branded templates for use by all and the use of notice boards
Prayer Ministry. More prayer walks – increase overall focus on this area of discipleship	Prayer & worship (Tina) 	24/7 week of prayer, a great attendance for this and some fantastic reflective art and words created in the prayer room
Membership list - review & prune if necessary - Process for non attendees	All	Members list filtered and reviewed, a discussion at the December deacons meeting as to how we approach the 20 or so members that have been absent with no contact for a long time
